From the Principal

Term 1 of our Academic Year comes to a close. It has been a wonderful term for our students who have participated in the academic, service, sporting and cultural programs with great enthusiasm and zest. A highlight of the term was our 30th Birthday Plunge. The ripple effect of this amazing event is still being talked about and shared. It certainly was an event for everyone. Thank you and well done to all in our community for a positive term.

Year 12 Commemorative 30th Anniversary Tie
As part of our 30 Year celebrations all Year 12 students will be gifted a 30th Anniversary tie to be worn as part of their winter uniform. These ties were designed by our current Year 12 students last year with the support of Mr McCoy. This tradition will continue with each Year 12 group designing their Year 12 tie each year. This year’s special 30th Anniversary edition is designed to be worn with both the boy’s and girl’s uniform.

Para Swim Carnival – Sport in the Right Spirit
It was an honour to be the host school for the Para Swim Carnival this week. Our students and staff are to be congratulated for their commitment and enthusiasm at the carnival.

Singapore Soccer Tour – Kick Off
We wish our students and staff a safe and enjoyable Soccer tour in Singapore over the holiday period. A wonderful program is in place for our students. Thank you to Mr Marius Ndiaye, Ms Krystal Skelin and Ms Sarah Fogliani for bringing this tour to reality for our students.

Weekly Mass - Invitation
A warm invitation is extended to parents, staff, students and friends who would like to attend our weekly College mass in the Good Shepherd Chapel. Mass is held on Wednesday mornings and starts at 8.00am and finishes promptly at 8.30am. Fr Joe and Fr Renald share this mass and it is certainly a nice way to start the day and take time out for 30 minutes. Everyone is welcome.
Thank You Ms Leck – College Leadership
Thank you to Ms Fiona Leck for undertaking the role of Deputy Principal whilst Mr Watson has been on leave. Ms Leck is an outstanding educator and as always her professionalism, diligence and outstanding leadership is valued. Ms Leck will continue her important role of Director of Academic Standards as a Senior Executive role for the remainder of the year. In Term 2 we welcome Mr Watson and Ms Stibi back from their well-earned long service leave.

Counselling Services – A Proactive Model
In Term 2 we welcome our two new counselor appointments, Mrs Irene O’Neil and Ms Marianna Vlahov. They will join our staff to enhance our pastoral and socio-emotional support for our children. We are blessed to have two experienced people joining our staff. Over the course of the year we will work to develop a team approach to our counseling services.

aCROSS the World Project - Update
Our aCROSS the world project took an exciting leap this week with the first of the blanks going into the kiln. Dylan Walker proudly closed the lid to begin the first stage of production of the 2016 special crosses to be placed in one Catholic/Christian school in every country of the world. Many students and staff are now involved in the research and production process. The aim is to have all schools and countries identified and contacted in Term 2 with delivery occurring in Terms 3 and 4.

“Beyond 30” – Strategic Directions
Setting our path and vision for the next three years is very important. The College’s strategic plan, called ‘Beyond 30’, can be found on the College website for interested parents and friends. At our recent Professional Learning day all teachers discussed ‘Beyond 30’ and continued the process of refining our strategies to achieve the goals set. ‘Beyond 30’ aims to enhance the educational experience of our children. It has a clear intent to improve academic performance at a personal level, engage our community and provide improved transition and preparation of students from Year 9 into the senior years of schooling.

Parent Teacher Interviews – Tuesday 26 April 2016
These are important conversations highlighted by the fact we devote a day to them. It provides a time to connect with your child’s teachers.

Class of 2023
Interviews for Year 7, 2018 have now started. Parents of siblings are reminded that siblings still need to be enrolled. Sometimes this is forgotten. To avoid disappointment of not having a place in Year 7, 2018 please ensure you have put an application form in for your siblings. The interview process is always enjoyable and it is an honor to meet prospective students and parents.

Have a safe and happy holiday. We return to school on Tuesday 26 April with our first round of parent teacher interviews. Students return to school Wednesday 27 April.

For your children

Mark Antulov
Principal
Parent-Teacher interviews will be conducted from 1.00pm – 7.00pm, with interviews of 10 minutes duration on Tuesday April 26. Please note that this is a pupil free day. Parental presence in the College enhances student learning and promotes understanding between home and school, and as such students are also encouraged to attend the interviews.

The College welcomes all parental contact, however, we do request that where one teacher has the same student for multiple subjects that parents book only one time slot. In addition, it is not always necessary for parents to meet with all of their child’s teachers. It is up to parent judgement as to which teachers they meet, though the College believes it is imperative that appointments are made if a teacher has specifically requested an interview. Teachers who have had recent contact with parents may have chosen not to request an interview. Parents may however, still choose to make an appointment with these teachers.

Bookings are made through the internet-based booking system called Parent Teacher On-Line (PTO), saving time for parents, staff and students. Using this system on any internet-connected computer, you will be able to book the interview times that best suit you. If you do not have access to a computer please do not hesitate to contact the College on 9307 2000. To access the system click on this link (https://bookings.parentteacheronline.com.au?school=y86ka) or the PTO icon found on the Welcome page in SEQTA Engage. The system opens for bookings on Wednesday 6th April and will close at 5pm on Monday 25th April.

Once on the PTO site, please click on Obtain PIN/Password in the “Need Help?” box on the right of the screen. You will then be asked to enter your email address in the box to the left of the screen. This address must match the one currently held by the College. An email will be sent with a direct link to allow you to book interview times. (These instructions with screenshots/graphics are available on SEQTA Engage under Documents/Reports). Full instructions are provided to you after log in.

Students and parents are reminded of the change to winter uniform for all students from the first day of Term 2. The College blazer is a compulsory item that must be worn to school in the morning until the end of PCG and home from school at the end of the day. Dresses that require alteration must be ready for the first day of term to sit neatly at the top of the knee.

On Fridays during winter terms, i.e. Terms 2 and 3, students are required to wear the following.

**Years 7 – 11:** Full College tracksuit with House shirt. The tracksuit jacket may be removed during the day but must be worn to school, during PCG, then on the way home.

**Year 12:** House shirt with school shorts and leavers jacket. If students wish to dress warmer then they have the choice of either the College tracksuit or school winter uniform.
SCHOOL PHOTOGRAPH DAY - THURSDAY 5 MAY

Annual school photographs will be taken on Thursday 5th May by Academy Photography. All students must be immaculately attired in full College winter uniform, including blazer. The following grooming standards must be adhered to:

- Hair is combed and/or tied back if below the collar
- Red, black or white hair ties only
- Full winter uniform including blazer (College jumper not to be worn for photos)
- Polished shoes
- Correct jewellery
- Ties must be worn and top buttons done up
- Girls are to wear black stockings/tights
- All badges removed

Students will receive envelopes during the following week and these will be individually named. The envelopes must be given to the photographer on Photo Day even if a student is not purchasing photos. Instructions to parents regarding the cost and procedure for purchasing photographs will be on the envelope and payment must be included when the envelope is given to the photographer.

Spare photo envelopes will be available from Student Administration for new students and anyone who needs a replacement. Envelopes for family photographs are also available from Student Administration. Family photographs will be taken during lunchtime on Photo Day. It is the responsibility of family groups to report to the photographer at the beginning of lunch to have a photo taken.

Jenneth Stibi  
Deputy Principal

YEAR 7 SCIENCE CLUB NIGHT

On Tuesday 22nd March nearly 50 students of the Year 7 Science Club attended our first official Science Club night this year. Students did a range of activities including a number of chemical reactions in the dark such as the hydrogen pop test and our famous glow in the dark toothpaste. Students also had the chance to sit around the campfire in the indigenous garden and listen to Mr Devlin’s talk on aboriginal stories of the heavens. Other activities included telescope viewing with Claire Dunne in Year 11 and Mrs Owen “Get a Shock” show with the Van Der Graaf Generator.

Thanks to all the staff who supported the evening including Mrs Jovanoski, Miss Skelin, Mrs Jones, Mr Van Der Kwast, Mrs Owen, Mr Devlin, Mrs Harrison and Mrs Georgiu. A special thanks to all our wonderful Year 11 students who also came along and supported us on the night with many of the activities.
Well done to all Students, Staff and Officials on another fantastic season of Term 1 CAS Sport for Prendiville. We had 8 teams make the Grand Final in their respective competitions and 4 of these were able to convert this to a Premiership Pennant.

**Congratulations to the Following teams:**

- Senior Girls Basketball: Undefeated Premiers
- Senior Girls Volleyball: Runners Up
- Senior Boys Volleyball: Runners Up
- Year 9 Boys Basketball: Runners Up
- Year 8 Boys Basketball: Undefeated Premiers
- Year 8/9 Boys Cricket: Undefeated Premiers
- Year 8/9 Boys Tennis: Runners Up
- Year 8/9 Girls Tennis: Undefeated Premiers

Students from all team will receive their certificates as well as premiership pennants next term. We will also await the official results to see if we have been able to successfully secure the Summer CAS Champion School Award again.

All students will receive their certificates as well as premiership pennants next term. We will also await the official results to see if we have been able to successfully secure the Summer CAS Champion School Award again.

As the summer season closes our focus shifts to the winter season in Term 2. Information such as fixtures and venues will make its way onto the College SPORTAL Page over the Term 1 break. Trials for these teams will take place on Tuesday (Senior Teams), Wednesday (Junior Basketball, Netball & Soccer) and Thursday (Junior AFL). A link has already been sent to all students via direct message allowing them to sign up for the various teams available. Students who are still wishing to sign up can access the website via the following link Winter CAS Sign Ups.

Places are filling up fast meaning positions in teams will be quite tight. There is still plenty of space in the Year 7 Boys Soccer team, Year 7 Girls Netball teams and the Senior Girls Soccer team so students who are interested in giving CAS a go in these sports are encouraged to sign up ready for trials next term. Our coaches and I are looking forward to another successful season.

**ACC Swimming**

It seems a while ago now, but congratulations to the 105 students who represented the College in the ACC Swimming Carnival in Week 8. Although many may look at our results and deem it an unsuccessful venture, this couldn't be further from the truth. We have witnessed a definite shift in attitude and culture towards the swimming season and although it may not have transpired into results this year if we (staff, coaches, students and indeed parents) can continue to approach it as we did this year the results will start to follow. Final points results were as follows:

<table>
<thead>
<tr>
<th>Team</th>
<th>Male Score</th>

We were led by some excellent individuals on the day who produced some outstanding performances.

U14 Girls Champion: Alyssa Burgess
U17 Girls Champion: Aimee Lea
U17 Boys 3rd Place: Dylan Lotti

Furthermore, the following students were named in the ACC All Star Team. Selection in this team signifies that an individual was the best performing student in a given event from all 8 ACC swimming carnivals.

</table>

Alyssa Burgess, Makayla Ince, Chelsea Lynn and Darcey Brooks were members of the U14 girls 4x50m Relay that achieved All Star Status. Further to this, the girls also broke the ACC record in their race as the quickest team from all carnivals. Finally, Alyssa Burgess also broke the ACC record in her 50m butterfly event.

100K Club

Now that swimming has finished our attention turns to Cross Country. It was great to have some students down to the first three sessions on 100K Club for 2016 during Week 10. Sessions will commence again on the first day back at school in Term 2 (Wednesday 27th April). 100K Club is open to all students and sessions can be tailored to individual fitness levels if necessary. Besides the obvious fitness benefits it does provide a surprisingly good social environment for students to interact with their peers and assist in the development of their mental strength/resilience. The hardest part is getting up in the morning to be at school by 7am. Students are able to set themselves personal challenges and goals and work towards them to hopefully become a member of the 100K Club. If students are interested and have not yet picked up a permission slip from me in the PE office please send me a direct message and I can email one through to you over the holiday break that can be returned next term.

Interhouse X Country

Our second Interhouse sporting event and arguably our second largest based on participation levels will take place on the first Friday of Term 2 (29th April). The race will commence at 4:15 on the school oval that will take students through a 4km course around the school block. Given the level of participation at the Swimming Carnival the challenge has been set to have 600 students running in the race. Students can choose to run competitively or take it at a gentler pace if they prefer as everyone who starts and finishes will earn points towards the Interhouse Sports Trophy. Following the race all students will be able to get themselves a free sausage sizzle and drink. Parents are encouraged to attend to spectate and are able to take their son/daughter once they have completed the course. Nominations are not required and students simply have to show up after school ready to participate.
It is important to note that the Constellation Ave car park will be closed from 3:45 on this day as students will be entering and leaving via the car park as part of the race.

School Sport WA News
Nomination closing Dates are approaching for the following SSWA Interstate Teams. Students and parents are encouraged to visit the links below for more information for the following teams:
- Boys/Girls U16’s Hockey - closing date 15th April.
- Girls U12’s Netball - closing date 11th May.
- Cross Country - closing date 13th May. (Please contact Mr Birrell prior to nominating for this event)

Sporting Excellence
A number of students competed at the State Surf Live Saving Championships back in March. Congratulations to Neve MacLeod (Year 8), Chelsea Lynn (Year 8), Zara Martin (Year 8), Sebastien Dudek (Year 8), Leah Martin (Year 7), Luke Gardener (Year 7), Mitchell Eady (Year 7), Madison Snelling (Year 8) & Zac Scullino (Year 7) on your outstanding performances with numerous medals being won in a host of different events.

Furthermore, after successful performances in the State titles Paige Wood (Year 11), Ryley Gardener (Year 9), Ben Hillen (Year 9) and Darcey Brooks (Year 9) will be heading over to Brisbane to compete in the National Championships during the holidays.

Nino Karow (Year 7) recently competed in the WA Karate Championships. He came away with a bronze and gold medal in the 12/13 year old boys division.

Courtney Poole (Year 12) and Maddison Poole (Year 11) returned home from the Ice Hockey World Championships with Gold Medals after going through their division undefeated and elevating the Australian team to the next division in the process.

Well done to all our sports achievers. Please continue to forward any instances of student achievements outside of school in state, national or international competitions.

Jamie Birrell
Sports Coordinator

BANKWEST COMMUNITY GRANTS – EDUCATION SUPPORT CENTRE

The public votes have been tallied and we are happy to report that the Education Support Centre achieved the second highest percentage of votes Australia wide therefore becoming one of three lucky recipients of a $1,000 grant. This grant will assist with expenses for our inaugural Rottnest Island Camp in November. Thank you for your support, it is much appreciated.

Cathy Shannon
Education Support
On Tuesday 15th March, the very popular Twilight Sounds Picnic Concert took place in the Prendiville entrance gardens. The forecasted stormy weather thankfully held off so families, friends and staff could be entertained by the Jazz Band, Year 11 & 12 Vet Music students, soloists and small groups. A big thanks to the student and parent helpers, the Friends of Music Committee for organising the sausage sizzle, tea and coffee and the Music staff for coordinating the event. A special thank you to Bakers Delight Beaumaris City for donating the buns for the sausage sizzle. Congratulations to all performers on a fantastic concert enjoyed by all.
HEADS UP! A THUMBS UP INTER-HOUSE ARTS COMPETITION!

Over the last few weeks students from different year groups have participated and earned points for their house in the much anticipated Heads Up! Inter-House (Drama) Arts Competition. Heads Up! is an app released by Ellen DeGeneres and has similarities with charades but is more interactive due to the use of a device such as an iPad and multiple people acting at the one time.

**House Results:**

**Years 11 & 12**  
Week 5  
*First place* on 40 points BRIGID  
*Second place* on 39 points McAULEY  
*Third place* on 35 points CHISHOLM  
*Fifth place* on 34 points ROMERO  
*Sixth place* on 33 points SALVADO

**Years 9 & 10**  
Week 6  
*Joint first place* on 32 points CHISHOLM and ROMERO  
*Second place* on 31 points McAULEY  
*Third place* on 29 points FRANCIS  
*Fourth place* on 26 points BRIGID  
*Fifth place* on 24 points SALVADO

**Years 7 & 8**  
Week 7  
*First place* on 62 points SALVADO  
*Second place* on 48 points McAULEY  
*Joint third place* on 43 points CHISHOLM and FRANCIS  
*Fourth place* on 37 points ROMERO  
*Fifth place* on 33 points BRIGID

I would like to say a big thank you to everyone who helped out and participated making this a Thumbs Up event!

Miss Annalisa Sorgiovanni

LIBRARY

Prendiville eBooks
New titles are continually being added to our Wheelers Platform eBooks…check them out through the student dashboard on your iPads. Go to Student Dashboard~Library~Wheelers. Tap the ‘Sign In’ tab and use your PCC user name & password to sign in. Once you’re signed in tap ‘Browse’ then scroll down until you see a book you want to read; tap on it then tap ‘Borrow Now’. A ‘Loan Successful-Ready to Read’ message will come up. Tap ‘Read Now’ and you’re away…Happy Reading!!!

If you have any problems getting onto the ePlatform just come to the Library for help.

CAREERS

Invites you to their

Mini Career and Tertiary Expo

Tuesday 26th April, 2016
2.00pm – 5.00pm
Prendiville Catholic College

WA University and Training Provider Professionals will come together on this afternoon to help answer questions and hand out vital information to help put your young person’s career journey on track. Parents, this is the perfect opportunity to get some relevant and current career information for students in Years 10 to 12.
For more info contact: Jason Todd 9307 2000

“The only way to do great work is to love what you do. If you haven’t found it yet, keep looking.”

Confirmed Attendees 2016: Curtin University, Edith Cowan University, Murdoch Institute of Technology, Murdoch University, University of Notre Dame Australia, University of WA, West Coast Institute of Training, Central Institute of Training, Polytechnic West, Onsite, Australian Defence Force Recruitment. Hospitality Group Training
ANDY WRIGHT INCURSION

On Friday 11th March, the Year 7 cohort was lucky enough to be educated in the art of storytelling by renowned storyteller, Andy Wright. Andy travels the world delivering comedic, suspenseful and exciting stories, to demonstrate to his listeners that all you need for an engaging story is a voice and body language. He certainly reminded us that it is a very human need to connect through story.

The students responded with zeal to Andy’s enthusiastic style, as he immersed himself in the world of Lord Fox. We were delighted to see the students participating so well; I can still picture the aisle row sitting entranced, hugging their knees and peeping through their fingers.

On behalf of our Year 7 cohort, Lucy Prior, reviewed the event:

‘Interesting Incursion’
I thought that the incursion on Friday with Andy Wright was enjoyable. He made it enthusiastic and everyone was very interested in what he was saying. The story was a romance and horror story. He made it scary by shouting and making me feel scared - my friends and I were jumping out of our seats. I loved it how he pretended to be two people on the stage. Everyone was focused on every word he was saying.
Lucy Prior, Year 7

BACK TO THE FUTURE

My, how we have progressed. From the time this photo was taken over 30 years ago there have been many photos, slides, films, videos and memorabilia sitting in cupboards, in old tea chests or even currently being worn still in existence. I’m putting a call out for any token of the colourful past of our College. If it remains something close to you and you would never part with then just loan it to us for short period of time. We’d love to hear from you in any case.

Our plan is to establish a special Back to the Future Day later in the year where everything we collect will be displayed. New videos and shots will be taken and we will have a New Age audio visual show to SHOWCASE our past. Tours conducted by original students will also be a feature.

For the moment however, if you have or know someone who has memorabilia then we are keen to acquire it or loan it. I’d love to hear from you. cgreenwood@prendiville.wa.edu.au or phone me on 9301 6249.

Chris Greenwood
Publicity and Marketing
Welcome to Tech Spot for 2016! This section of our newsletter is for students and staff to share tips, tricks, ideas and apps to do with our all things technology at Prendiville. If you would like to contribute, please contact Mrs Marshall!

This week, we look at Office 365.

Every student has a free Office 365 account in 2016, with 1TB of space – wow! This is great for backing up your work to the cloud and saving you from having to come up with your own backup solution. Here is how you access it:

Go to the Dashboard app on your iPad (school logo) or choose the OneDrive app. On a computer, go to dashboard.prendiville.wa.edu.au and choose Office 365, OR go to portal.office365.com

Log in with your email <username>@prendiville.wa.edu.au and your normal login password.

Once in, you have access to a variety of online apps.

- Use Word Online to make, edit and share notes collaboratively. Everyone can edit the same document.
- Use PowerPoint Online to make presentations with others.
- Use OneDrive to create files and share with others. You can share your work with your teacher by choosing Sharing on the far right. Add your teacher so they can see your files!
- Use Sway to make cool, responsive presentations that look great on any device.
- Everything is backed up by the second so you cannot lose your work.

Have you visited our new space in the library? We would love to help solve your ICT issues here. We look forward to seeing you at the Helpdesk soon!

If you need help with iPads or just want to ask a question, feel free to drop into the iPad Helpdesk in the library at lunchtimes. We will be happy to give you assistance.

Thank you for your support!
We just want to say a HUGE thank you to the P and F Easter Raffle coordinators Annica Odina and Louise Richards. These two fantastic women did the entire Easter Raffle in the CHAOS of Plunge week on their own with support from some angel volunteers who assisted with wrapping and drawing the prizes. This event just seemed to happen seamlessly however there was much planning and coordinating behind the scenes and the annual event still occurred with its usual flare. Thank you so much for your enthusiasm, ongoing support and commitment to the P and F. Thank you to all the parents, students and Staff who donated Easter Eggs and who bought raffle tickets.

Yours in chocolate
Denny Piovesan and the P & F Committee
COMING EVENTS:
Tuesday 26th April – Pupil Free Day
Tuesday 26th April – Parent/Teacher interviews

(Formerly known as Banksia Grove Catholic Community)

OUR SCHOOL PRAYER

Dear Lord
We thank you for our school community inspired by the holy work of Redmond Prendiville who gave our college its name and sense of self. Help us to follow his example and live in the light of Christ.

We thank you for our teachers, friends and family. Help them to guide and support us in all our academic, sporting and community endeavours.

Our College crest speaks of how close we are to the eternal beauty of the ocean. It reminds us we are blessed to be young and free. Lord, never let us forget this symbol we so proudly wear, for it represents our Catholic faith and your eternal love.

Help us, therefore, to respect the natural beauty of our school grounds and environment and to consider the classroom as a place of opportunity and learning. Grant us the strength of will and clarity of purpose to be the best that we can be.

In the name of the Father, and of the Son and of the Holy Spirit.
Amen
