aCROSS the World Project

I am delighted to announce that our first crosses have been presented to the Principals of three overseas schools at the recent National Catholic Schools Conference where our students showcased this project to over 1300 delegates over three days. Through this activity, our students made connections locally, nationally and also overseas.

The first two schools to receive our crosses are based in Papua New Guinea and Calcutta India. This was a proud moment for our students and staff.

ConnectED – Beyond Year 10

Thank you to those parents who attended the Year 10 Parent Information Evening during the week. At the evening I was pleased to present our new post Year 10 pathways we have developed for our students. These ConnectED pathways will help ensure our students enter courses of study in Year 11 and Year 12 to provide the best opportunity for personal success.

These pathways include:

1. The UNIVERSITY PATHWAY or ATAR Pathway for those students who are aiming for a University education beyond PCC
2. The GATEWAY PATHWAY or General Pathway for those students who aspire to enter the workforce, TAFE or University via indirect entry.
3. The FlexED PATHWAY or Enterprise Learning pathway which is a freshly designed pathway for those students who seek senior secondary education in a flexible learning environment.

The College will host an information evening on the FlexED Pathway on Tuesday 19 July from 7.00pm to 8.00 pm.

Details of all the pathways are included in the newsletter.

For your children

Mark Antulov
Prendiville Catholic College is committed to providing a holistic, innovative education that gives students the opportunity to achieve their greatest potential. The College aims to redefine education through relevance, rigor and relationships.

We recognise that students learn differently. We value these differences and know we need to think creatively to design education programs that cater best for these varied needs.

The three ConnectED learning pathways are:

1. The UNIVERSITY PATHWAY or ATAR pathway for those students who are aiming for a University education beyond secondary school.

2. The GATEWAY PATHWAY or General pathway for those students who aspire to enter the workforce, TAFE or University via indirect entry.

3. The FlexED PATHWAY or Enterprise Learning pathway is a freshly designed pathway for those students who seek senior secondary education in a flexible learning environment with a launching pad to a future with some certified accreditation.

The College will host an information evening on the FlexED PATHWAY on Tuesday 19th July from 7.00 until 8.00 pm.

A fourth pathway is being researched for 2018. The LinkED PATHWAY, will be for those students who seek an alternative entry to tertiary studies. The College will seek to partner with local universities and tertiary institutions to link students to courses of their interest.

Linking Learning to LIFE

At Prendiville Catholic College our ConnectED Pathways are designed to prepare students for life beyond school.

For 2017 PCC will offer three separate pathways to provide our students with alternatives to best accomplish success beyond Year 10.
University PATHWAY
ATAR pathway to a university education.

THE DIRECT PATHWAY FROM COLLEGE LIFE TO CAMPUS LIFE.

Prendiville Catholic College is committed to providing a holistic, innovative education that gives students the opportunity to achieve their greatest potential. The College aims to redefine education through relevance, rigor and relationships.

Courses are comprised of semester long units which are paired so that students will take a pair of units during the year. Students will study Units 1 and 2 in Year 11 and Units 3 and 4 in Year 12. Courses from List A and B must be selected to meet the WACE Breadth of Study requirement.

All students who complete the UNIVERSITY or ATAR pathway in Year 12 will sit an external examination administered by SCSA (School Curriculum and Standards Authority).

The UNIVERSITY PATHWAY or ATAR pathway is for those students who are aiming for a University education beyond PCC.

Students commencing Year 11 on the UNIVERSITY Pathway are aiming to achieve both their WACE and an ATAR score. Achieving an ATAR score is the most direct path to University education.

Students wishing to enter university will need to study a minimum of four ATAR courses in Year 12 and gain a high enough ATAR to meet university entrance cut off scores.

Prendiville Catholic College offers a wide range of courses. Students must choose a minimum of four ATAR courses in both Year 11 and Year 12 (which equates to 16 units over two years) to achieve an ATAR score. The WACE requires students to successfully complete 20 units. These units are usually completed in pairs. Successful completion means achieving a "C" grade or better.

All UNIVERSITY PATHWAY or ATAR pathway students will study the following over two years:

- Four units of English (ATAR) or Literature (ATAR)
- Four units of Religion and Life (ATAR or General)
- A minimum of 12 units of other courses making sure that at least one pair of List B units is chosen each year.

It is vital that course selection is made on the basis of student interest, career aspirations and ability. For many courses there are prerequisites. These are put in place by the College to make sure students will be able to successfully complete their chosen UNIVERSITY PATHWAY or ATAR pathway.
Gateway PATHWAY
General pathway to the workforce, TAFE or Uni.

OUR GENERAL PATHWAY TO ACHIEVE YOUR WACE

Prendiville Catholic College is committed to providing a holistic, innovative education that gives students the opportunity to achieve their greatest potential. The College aims to redefine education through relevance, rigor and relationships.

The GATEWAY PATHWAY or General pathway is for those students who aspire to enter the workforce, TAFE or University via indirect entry beyond secondary school.

Students who commence Year 11 and are considering following a career pathway into employment, TAFE or other further training should seriously consider following the GATEWAY Pathway to achieve their WACE.

Achievement of a WACE signifies that a student has successfully met the breadth and depth, the achievement standard and literacy and numeracy requirements in their senior secondary schooling.

VET Qualifications are open to both Year 11 and 12 students and are year long courses. Successful completion of the qualification will be calculated as SCSA Endorsed equivalents for WACE. Students may also undertake Workplace Learning both Year 11 and 12 to gain some experience in the fields they are considering pursuing in the future.

All GATEWAY PATHWAY students will study the following over two years:

- Four units of English (ATAR or General)
- Four units of Religion and Life (General)
- Other courses making sure that at least one pair of units is chosen from List B courses each year
- Certificate course (no more than two)
- Workplace Learning is also an option

It is important that course selection is made on the basis of possible future careers and it is essential that choices are realistic, and in keeping with the student’s academic ability and interest.

The following key points highlight the importance of making the right choice:

- It is possible for a student to miss out on both TAFE and University through poor course selection
- There are an increasing number of pathways between TAFE and university and vice versa
- There are a range of ways to access a university education outside of the traditional ATAR pathway. The range of portfolio, scholarship and enabling courses available should be given careful consideration.

The College encourages students to be realistic and decide on a pathway that sets them up for success.
NEW IN 2017

SCHOOLING. LEARNING. REDESIGNED.
Introducing our Enterprise Based Learning pathway that transforms the experience of students by connecting learning with each student’s interests and career aspirations.

Students learn differently. The Prendiville Catholic College FlexED pathway recognises this. We know it is possible for deep learning and achievement to take place without the traditional constraints of dedicated timetabled lessons. At PCC we are creating an Enterprise Learning Pathway to maximise the success of every selected student.

FlexED is a totally flexible program unique to Prendiville Catholic College. This pathway caters for those students who desire a flexible learning environment and who respond well to an integrated approach to learning.

The FlexED pathway is one of our Senior School ConnectED Learning pathways. It is focused around the enterprise theme of Design and Technology. By merging academic and technical study with real-world learning, this pathway offers a totally integrated program which is not restricted by the bounds of a traditional timetable.

It is for students who are seeking to graduate from school with certified accreditation and will provide a rigorous understanding of business and enterprise that can lead to employment, further study or even a practical trade. Further testimony to students’ achievements will be provided including log books, employer reports, progressive achievement record, specific exit statement and reference.

Students may enter the program at Year 11. Entry into the program is by application only. The course can be completed over two or three years.

The College will host an information evening on the FlexED PATHWAY on Tuesday 19th July from 7.00 until 8.00 pm.

THE POWER OF REAL LIFE LEARNING
This program will provide selected students with an independent, tertiary style environment, the opportunity to achieve their WACE and complete their secondary education at Prendiville Catholic College, graduating as a ‘Prendivillian’.

The program is facilitated by a mentor teacher who will work closely with each student personalizing the learning experience to each student needs.

At a glance, the program:

• is designed for active learners: students who like to put theory into practice and see something practical come out of their work.

• will help students to develop skills in vocational literacy and numeracy.

• gives students ‘real life’ work experiences in areas of their interest.

• enables students to move more easily into TAFE, the Workforce or even their own small business.
IMPORTANT REMINDER TO PARENTS

Students who are feeling unwell at school need to report to the Nurse in the Health Centre with a note from a teacher to indicate that they are sick or injured (presentation of a note does not apply in the case of an emergency). Parents will then be contacted by the Nurse and arrangements made related to collection of the student if applicable.

Your support in this matter is very much appreciated.

Mrs Jenneth Stibi  
Deputy Principal

OPEN DAY

The College welcomed over 350 guests onto our campus last Tuesday June 14th.

It was a brilliant day in all aspects. The weather was glorious but more importantly our guests enjoyed the hospitality of the year 9 Student Guides and exhibits displayed by each faculty. It is an important day in our calendar as we make a commitment to the next generation of students and parents to Prendiville. The letters and emails sent to us thanking the College for the opportunity would suggest all and sundry enjoyed their visit.

Enjoy our gallery of the day.

Chris Greenwood  
Publicity and Marketing
SERVICE LEARNING

Recently Prendiville had a group of 20 students from Year 8, 10 and 11 work on a Saturday afternoon to door knock to collect money for the Salvation Army Red Shield Appeal, in all their efforts raised $640. Well done to all involved.

Just a reminder to all students to check the Service Learning portal and daily notices for service opportunities.

In second semester I am taking Long service leave. In my absence Ms Kate Raphael will be taking over my role as Service Learning Coordinator. Please contact her with any enquiries regarding Service Learning Programmes or if you have ideas for service opportunities. Ms Raphael will bring plenty of energy and enthusiasm to the role, and I wish her the best of luck!!

Finally our annual immersion programme to Sacred Heart School in Beagle Bay leaves this Saturday. This is a fantastic opportunity for the students and they have many great experiences in the school and finding out about the local culture and traditions. If you would like to follow what we are up to please go to www.beaglebay2016.tumblr.com and check out the student blog for their insight on their experiences and lots of amazing photos.

Paddy Devlin  
Service Learning Coordinator

GRANDPARENTS DAY

Be sure not to miss out! ALL GRANDPARENTS are invited to Prendiville Catholic College on Friday 5th August to share in the life of the College with their grandchild. Activities will include:

9.00am Mass with grandchildren
Concert
Morning tea

The day will commence at 9.00am with Mass in the new College Chapel and conclude at approximately 11.30am after morning tea. If you wish to take part in Grandparents’ Day please make sure you RSVP by email to Mrs Marg Tavelli at mtavelli@prendiville.wa.edu.au. Please indicate student’s name/s and the number of grandparents attending.

We look forward to seeing you all on Grandparent’s Day
APPLICATION FOR EXTRA TIME ON TIMED ASSESSMENTS

Where a student has a temporary or permanent disability, a medical condition and/or a specific learning difficulty that may disadvantage the student in demonstrating his/her knowledge or skills in school-based assessment tasks, parents/guardians are invited to apply to the College for special assessment arrangements to be made for their son/daughter.

Parents/guardians should appreciate the following:

The guidelines are in accordance with those outlined by the Schools Curriculum and Reporting Authority.

- The granting of special assessment arrangements is not necessarily automatic, but subject to the provision of medical and/or psychological evidence to support the need for the accommodation to be made. The supporting documentation must indicate a functional impact that impedes the student’s performance in timed tasks. This evidence is to be arranged by the parents/guardians and provided to the College as required.

- The criteria for awarding grades remain fixed for all students.

- Students with disabilities and/or specific learning difficulties will be provided with the opportunity to demonstrate their achievements within the spirit of the assessment parameters.

- When in Year 12, students who have a permanent or temporary disability or medical condition that may disadvantage them in demonstrating their knowledge and skills in the ATAR Examinations, will need to apply to the School Curriculum and Standards Authority (SCSA) by the due date for special examination arrangements. The school will support the application process. The SCSA application form requires the history of special school-based arrangements to be noted. SCSA also requires that psychological assessments, where appropriate, be at least 2 years current.

- Students with disabilities and/or specific learning difficulties have the right to reject the offer of alternative assessment strategies to accommodate their disabilities or specific learning difficulties. Students should understand, however, that such a rejection is likely to have an adverse effect on the final grades awarded to them.

Where the application is successful, arrangements will be made so that a student with a disability and/or specific learning difficulty will not be disadvantaged under normal assessment procedures.

Applications for special assessment arrangements are to be made by completing the appropriate application forms, with any necessary supporting documentation attached. New applications for this year should be directed to Mrs Bev Reed, Learning Enhancement Coordinator. Application forms are available at the Student Admin through Mrs Grace Cassidy.

Where the application is successful, arrangements will be made so that a student with a disability and/or specific learning difficulty will not be disadvantaged under normal assessment procedures.
INTERHOUSE ATHLETICS CARNIVAL

For the Athletics Carnival, students are advised to prepare their own food/drinks so that they are well-nourished and prepared for what promises to be a busy day of events. However, the Reef Break Café and ESU staff are kindly assisting in offering a variety of food options for the Athletics Carnival on the 21st and 22nd July.

To assist the Café and ESU staff in preparation for it, students will need to complete a form that was sent via direct message (SEQTA). The form has to completed and submitted to Finance with payment by Thursday 30th June (last day of Term 2). If you have any queries, please don't hesitate to contact me.

Marius Ndiaye  
Acting Head of PE

SPORTS NOTICES

CAS Sport
Well done to all teams on completing your final regular season games against Peter Moyes this week. We will hopefully receive confirmation from the ACC for those teams who have progressed into the Grand Finals that will take place in Week 10. It is vital that all students please return their uniforms that have been borrowed for the winter season prior to the holidays. Thank you to both students and parents for all of the support of the CAS Sport programme for 2016. Once again it has continued to grow at Prendiville with over 350 students participating in at least 1 of the 28 available teams. Results from potential grand finalists will be announced in the next edition of the newsletter as well as MVP and Coaches Awards.

Following the completion of our CAS season, some teams may progress to the Champion Schools state-wide knockout competition. These teams will be listed on the school SPORTAL page as soon as this information comes to hand. These games will take place in Term 3 and provide a great opportunity for our students to compete against extremely high quality opposition that often comes from specialist sport schools.

Interhouse Surfing Carnival
Thank you and congratulations to all students and parents for their support of the Interhouse Surfing Carnival last weekend. Although the conditions were a little small, competitors and spectators were blessed with sunny weather and offshore winds for the entire carnival. In total 68 students took part both as competitors, photographers and judges and everyone was treated to some excellent surfing and body boarding from the first heat right up to our last final. Results will be announced on the School SPORTAL page in Week 10 once official presentations have been conducted at school. Furthermore, the Interschool Surfing team will be announced to compete in the State School Titles in Term 3.

Like many of our sporting endeavours, the Surfing Carnival simply would not function without the involvement of dedicated staff who are willing to give up their time, and in this case a Saturday morning, to ensure our events are run professionally and above all else safely for our students. This year I would also like to acknowledge the efforts of the parents who were present at the beach at 6:30am to assist with the unpacking of the trailer and setup of all the equipment. In my time at the school I have never seen it run so smoothly and efficiently and it ensured our first heat got underway only a few minutes after 7am.
PCC Rugby Club
The PCC Rugby Club is gearing up for another season and we are hoping to replicate our performances from last term. We are calling all students who are interested in playing rugby but more importantly those who want to give it a try. The competition is run to an extremely professional standard to ensure the safety of students at all times. The season only consists of 5 games so it provides a great opportunity for those students who have not had much experience in rugby to have a go and see what they think. We are looking to meet with all interested boys in Years 7-10 in Week 10 but in the meantime we are asking for them to register their interest by using this sign up.

ACC All Stars- Basketball
The ACC is calling for boy & girl basketballers to try out for the ACC All Stars teams for 2016. These teams will play against a combined government schools all-star team later in the year. For more information and to register please see the flyer attached to the School SPORTAL page.

Sporting Excellence
Michael Ross (Year 8) has just returned from the National Judo Championships in Geelong Victoria. Competing in the 60kg class, Michael won a Bronze medal. Also competing were Thomas Hannaire (Year 9) and Emma Hannaire (Year 11), who also won Bronze medals in their respective competitions. Ludwig de Ocampo (Year 7) recently competed on the Gold Coast in Taekwondo. Congratulations to Ryan Swartz (Year 11) who has once again been selected to play baseball in the USA for the next month as part of the Perth Heat Colts tour.

Well done to all these students on your recent achievements. If your son/daughter has achieved excellence in their sporting endeavours outside the school please forward all relevant details to myself at the College so they may be recognised.

Jamie Birrell
Sports Coordinator

THOROUGHLY MODERN MILLIE AUDITIONS

This term, the Performing Arts Department proudly announced that the College Musical for 2017 will be Thoroughly Modern Millie. The Broadway sensation takes us back to the roaring 20s and follows the story of a young Millie Dillmount who moves to New York in the hope of becoming a ‘modern’; immersing herself in the world of bobbed hair, shorter dresses and working women. She plans to become a secretary and marry her wealthy boss Trevor Graydon, setting up the ‘modern’ life for herself. Along the way, Millie falls for Jimmy Smith who is penniless, staying in a shabby hotel. With help from Miss Dorothy and her colleagues at Sincere Trust, Millie discovers the life she has always longed for.

Miss Dorothy Brown: You’re a modern!
Millie Dillmount: Thoroughly!

Auditions took place on Sunday 19th June and from the minute the doors opened and registration started, there was an immediate buzz of energy that filled the room. Auditions kicked off with a group vocal warm-ups, and not long after the singing auditions begun. With the help of a piano accompanist, students sang a prepared song for the role that they were auditioning for. This was soon followed by the dance auditions where students had to learn, practice and perform a short dance routine in small groups. We had up to 70
students apply and audition and they are to be commended on their willingness and enthusiasm throughout the day – it will certainly be a hard task casting the show. The *Thoroughly Modern Millie* team of staff are very excited about this production and we look forward to bringing this heart-warming and jazzy musical number to life!

A production like ‘Millie’ is a collaborative community event and we would like to invite all staff, parents, students, and the wider community to lend a helping hand in some way. If you can build, sew, paint or have any other creative abilities up your sleeve, please feel free to email me at asorgiovanni@prendiville.wa.edu.au

I look forward to hearing from you.

*Miss Annalisa Sorgiovanni*
*Musical Producer*
Training Band Open Rehearsal

The Year 7 Training Band held an open rehearsal last Friday 17th June. Parents were invited to have breakfast in the PAC foyer and then sit in on the Training Band rehearsal in the Redmond Theatre. Led by Miss Broderick, they played a small selection of pieces, displaying what they have been working on this semester. Parents were able to see the impressive progress that the Training Band have made in a few short months. All students have been working extremely hard both in their instrumental lessons and Training Band rehearsals, and are to be congratulated for their commitment and dedication.

COUNTDOWN TO SYDNEY MUSIC TOUR:

9 DAYS TO GO!

The countdown is on to the Sydney Music Tour, with only 8 days left until our Concert Winds and College Choir students and staff fly to Sydney for the Australian International Music Festival. Prendiville has the enormous task of not only representing our school, but the state, as we are the only school from Western Australia attending. Students have been working extremely hard all year to prepare for their recitals in Sydney, as well as the many other performances on the Performing Arts Calendar. To say thank you and goodbye to family and friends, the Music Department will be holding a Tour Farewell Concert on Tuesday 28th June at 7pm in the Redmond Theatre. Tickets are available from the trybooking link below. Bon Voyage and best of luck to all students and staff travelling to Sydney, we know you will make our school proud.

www.trybooking.com/206720

The very next day (Wednesday 28th June) the College Choir, Brass Ensemble, Saxophone Quartet and selected soloists will be performing at St George’s Cathedral Perth, as part of the Concerts at One series. We are honoured to be a part of this prestigious series, as the calibre of performances is very high, with both WAAPA and UWA Music students taking part.
LIBRARY

Opening Hours
Monday-Thursday: 7.45–6.00pm
Friday: 7.45am –4.00pm
Recess and Lunch every day

Check out our new print titles in the Library and our new eBook titles on Wheelers and get reading the RIGHT books soon!

Wheelers eBooks are available on your iPads through the Student Dashboard under the Library tab. New titles are continually being added.

Wheelers
Both fiction and non-fiction titles can be loaned for 14 days. At the end of the loan period the title is automatically removed from your device. If you have any problems getting onto the ePlatform just come to the Library for help.

Research Databases
Students just a reminder that the Internet is only one tool for research. We encourage use of all the tools available to you. The following research databases are available through the Student Dashboard on your iPads.

These can all be easily accessed. Remember the Internet is merely one tool and you should not rely on Google in particular. We suggest that if you have searched for ten minutes unsuccessfully, it is time to find another resource, or ask for assistance.

Fund Raising
The Library is currently selling chocolates to fund raise for the Education Support Centre Rottnest Camp later in the year. Please come by during recess and/or lunch to get your sweet treat and help support such a worthy cause.
Fright Night Fri 13 May 2016

The Year 7 social was in my opinion, AMAZING! I am so glad that it was set up for us as it was a great way to socialise with all of our friends and teachers. I was very disappointed when I heard that there was going to be no Year 7 camp this year, but I am glad that we didn't, as we probably wouldn't have had the social otherwise. The Year 9’s did a wonderful job putting everything together and they also had really good stalls. There was a photo booth where I took some silly pictures with my friends and all of the food and drinks were delicious. It was a bargain as well! I loved dressing up especially to a scary theme and the contest was an awesome idea. I hope everyone else had as much fun as I did. Also, well done to the winners of the dress-up contest and well done to those who participated in the creation and organisation of this disco!!!

Jasmine Decke FR 2

Friday the thirteenth of May was the Year 7 social and keeping with the theme it went from 6.13 to 9.13. As you entered the hall there was a dark tunnel covered with cobwebs and spiders. Once you were inside there was a dividing wall with a party on one side and food and games on the other. The party side had a live DJ playing music, fog machines and strobe lights. The other side had food, games, drinks and even a photo booth. These stalls were created and manned by Year 9’s who had put lots of time and effort into the project. What was really fun was seeing how much effort people put into their costume. This made the choice of spook and spookette very hard. There were many runners-up but the winners were Sophie Hansen and Joshua Powell. Overall the night was really enjoyable and I’m sure all the other Year 7’s would agree.

Andreia Da Cunha CH3
The P&F committee ask for the support of all Prendiville families for the upcoming Quiz Night. We would like all families to send in an item suitable to use as a prize on the night. (Wine, chocolates, beauty products, gift cards, etc...)  If your family is in the position to provide vouchers for goods and services for your business, we would love to have your support and we thank you for your generosity. Donations can be sent into the front office. The aim of the night is to build community spirit within the school and we hope that you are able to join us for a fun evening on the 5th August. Thank you for your support.

Entertainment Books

The NEW 2016|2017 Perth Entertainment™ Memberships are here and this year it has so much more to offer. Buy your Perth Memberships and enjoy hundreds of valuable up to 50% OFF and 2-for-1 offers, featuring our NEW Bali Highlights offers section. To celebrate these great new offers, Entertainment™ is giving you the chance to WIN a trip to Bali valued at over $5,000 which includes:

- 5 nights in a Deluxe Suite at Double-Six
- Dinner for two at Mozaic Beach Club
- Garuda Airlines flights (sponsored by Woolworths)
- Family Day Pass at Waterbom Park
- QBE Travel Insurance
- 2 Massage vouchers at Prana Spa Bali

To be in the running, buy a 2016 | 2017 Perth Membership before 1 June 2016. Click here for more information about the competition.

Entertainment™ Memberships are sold exclusively through fundraising organisations, and the funds we raise will go to support our school.

ORDER FROM US TODAY

Feel free to contact us for more information about our fundraising or how to get your Entertainment™ Membership.

jackngill@hotmail.co.uk
Welcome to Tech Spot for 2016! This section of our newsletter is for students and staff to share tips, tricks, ideas and apps to do with our all things technology at Prendiville.

This week, we are going to look at opportunities to be ‘techy’ at Prendiville. If you like technology, what might you choose to do?

1. **MakerSpace**

   Head over to the MakerSpace for activities to do with technology, or bring your own. Currently, students are looking at radio transmitters, working with old tech such as typewriters, jewellery making and mindful colouring. We get a steady stream of old electronics to pull apart – ‘reverse engineering’ as it is called! Bring your own project or have a poke around in the cupboards to find something to do.

2. **Learning Technology Assistants (LTAs)**

   Do you have a passion for technology and are in Years 7-11? We have a small group of students who are being trained in helpdesk support and special tech projects, in order to build skills and give back to the school community. Once this program is up and running with our pilot group, more information will be available. See the ICT staff for details!

3. **Get involved in Technology Week (Week 10)**

   The last week of term is Technology Week! There will be fun, competition-style activities in ICT classes, prizes to be won by guessing the ‘number of keyboard keys in the jar’ and a variety of extra-curricular presenters to help you learn about technology and the career paths it can provide. Why not do some investigation and see where you could end up?

If you need help with iPads or just want to ask a question, feel free to drop into the iPad Helpdesk in the library at lunchtimes. We will be happy to give you assistance.

*Mrs Melissa Marshall*
*eLearning Coordinator*
COMING EVENTS:

Monday 18 – Tuesday 19 July – Pupil free days

Tuesday 19 July – Parent – Teacher Interviews (gym) 1pm – 7pm

Wednesday 20 – Friday 22 July – Bishop’s Literacy Testing

Thursday 21 July – Year 7-9 Interhouse Athletics Carnival

Friday 22 July – Year 10 - 12 Interhouse Athletics Carnival

Wednesday 27 July - P & F meeting, 6.30pm

OUR SCHOOL PRAYER

Dear Lord

We thank you for our school community inspired by the holy work of Redmond Prendiville who gave our college its name and sense of self. Help us to follow his example and live in the light of Christ.

We thank you for our teachers, friends and family. Help them to guide and support us in all our academic, sporting and community endeavours.

Our College crest speaks of how close we are to the eternal beauty of the ocean. It reminds us we are blessed to be young and free. Lord, never let us forget this symbol we so proudly wear, for it represents our Catholic faith and your eternal love.

Help us, therefore, to respect the natural beauty of our school grounds and environment and to consider the classroom as a place of opportunity and learning. Grant us the strength of will and clarity of purpose to be the best that we can be.

In the name of the Father, and of the Son and of the Holy Spirit.

Amen
