As we look forward to Semester 2 let us continue our focus on what it is to be ‘Prendivillian’. This week there has already been plenty of evidence of our community members being the **FACE** of our College in 2016. The value of **Fortitude** has been demonstrated with the wonderful attitude of the students and staff to the Athletics Carnival; **Accountability** shown in our parent teacher interviews; **Creativity** in the recent honouring of Justice Goodrick's digital art; and **Excellence** in the super efforts by students in and outside the classroom along with the honouring of student achievement with the Certificates of Excellence and Merit to be presented at Assembly this week. In particular we recognise the amazing performances of our 70 musicians who performed in Sydney as part of the National Schools Music Festival.

**Fortitude:** Fortitude is strength of character. It is the will to endure no matter what happens, with confidence, patience and courage.

**Accountability:** Accountability is the willingness to stand in responsibility for every choice. It is acting with integrity, doing what we say we will do.

**Creativity:** Creativity is the power of imagination which ignites our originality. It ignites the uniqueness in us all. With creativity, we are resourceful and intuitive. We solve problems in new and surprising ways.

**Excellence:** Excellence is simply doing your best, giving careful attention to every task and every relationship.

**FACE** reminds all of us that we are more than just our grades. The **FACE** values and the many dimensions of good character are what really define us as people. This is very important to remember at this time of year, particularly for students in Year 10 and Year 12.

Our **Year 10 students** will begin the important process of subject selection this week. This year we have introduced a new model for course counselling selection to ensure that every student is given time in a conversation to guide their particular pathway and course selections. All members of the College Leadership Team and the College Counsellors will conduct 30 minute interviews with each Year 10 student and their parents in the coming week.
Our **Year 12 students** enter their final term of structured lessons. This is an exciting time for them as they prepare for the final stages of secondary schooling. Exams, assessments and their academic achievements will be at the front of student minds. This can also be an anxious time but each student must recognise, whilst their actual academic results are important, they are not the only thing that will define them as a person. We must all be striving for excellence and high distinctions in qualities such as honesty, integrity, creativity, work ethic and charity.

**STUDENT LEADERSHIP 2017**

“Everyone is a leader, and everyone is leading all the time-sometimes in immediate, dramatic, and obvious ways, more often in subtle, hard-to-measure ways, but leading nonetheless.” (Chris Lowney: Heroic Leadership)

The process of student leadership appointments has started. This Friday we will announce the key positions of Head Boy and Head Girl. I am proud of the students who have nominated and entered into a process which includes application, staff input and interview.

**ATHLETICS CARNIVAL**

Despite the uncomfortable, chilly, wet weather on Thursday, our Years 7, 8 and 9 students were amazing and were persistent and gritty despite the weather. Our senior students who attended the carnival on Friday participated with their usual zest and enthusiasm. I was very proud of the commitment showed by students and teachers over the two days.

Congratulations and a particular thank you to our **PE team** and House Coordinator team for their commitment and effort with the new athletics carnival format. The tabloid style was effective as the students were always in action. These are very big and complex events to coordinate. I am proud of the leadership of **Mr Marius Ndiaye** who demonstrates the highest commitment to standards, excellence and positive role modelling for our students. Feedback will be sought from the community to help further refine the format for 2017.

**JAPANESE STUDENTS ARRIVE – sister school visit**

It is delightful to welcome our Japanese visitors and acknowledge the enormous value for us all when cultural exchanges occur. In the current global climate where lack of respect for our cultural differences can prevail, let us enjoy and learn from our visitors. Thank you to **Mr Terry Raphael** for his commitment to this program. We also acknowledge the amazing work of **Mrs Heather Downsborough** who has placed the 39 students with our generous host families.

**BEAGLE BAY – learning through immersion**

The College is committed to developing its immersion programs. These programs aim to develop our attitudes and actions beyond our grades. The recent Beagle Bay immersion continued a program which provides our students to grow in character through lessons that can be learnt from immersing in a community with rich Aboriginal heritage. Our students and staff were fantastic once again. Thank you to **Mr Devlin, Ms Warner, Mr Lockyer and Ms O’Gorman** for their leadership and commitment to the program.

We are proud of the following students who participated in the program: Jaslyn Eady, Blaice Antonio, Brody Flint, Byron Reid, Grainne Hamill, Leah Massara, David Casella, Amy Groenewegen, Chloe Gregorich and Breanna Roberts. As part of our Beyond 30 Strategic Plan we will continue to review and develop our immersion programs to provide more students with the opportunity to participate.
SYDNEY MUSICAL TOUR – encore performance
Over the holiday period our Music students, staff and parents excelled as participants in the national schools music festival. The performances of our students have drawn accolades from across the country. To get our students to this level of performance takes commitment and time. Our specialist music teachers and peripatetic teachers have worked very hard to get students to this point. This is a great example of seeking high standards and nurturing everyone towards them.

DIGITAL ART EXCELLENCE – Justice Goodrick
High standards and personal excellence was also recognised this week with Justice Goodrick being awarded best digital artwork in this year’s exclusive St Georges Cathedral Art Exhibition. We are proud of teachers and students for their creativity and commitment to big standards of personal excellence in the Arts.

aCROSS the WORLD PROJECT – touching hearts
It has been inspiring to receive news from schools and institutions that have received a beautiful glass cross from our community. This activity is truly providing an opportunity for our students to connect globally to so many countries. We have placed crosses in New Ireland, Burma, the Philippines, South Sudan, India and the United States. Mr Rand McCoy had great delight in delivering a cross personally to a special school in his former home town.

The recent email and photo was received from Sr Margaret Scott in South Sudan.

It gives me great joy to send to you a couple of photos of the beautiful glass cross that was given to me when I was recently in Perth. Our students at Solidarity Teacher Training College are delighted to be the recipients of the cross for South Sudan. Immediately I returned here the cross was hung in the chapel so that it would be protected. All who see it are delighted with it and grateful we are able to have it in our special place. You can be assured it is treasured here.

As you may have read the situation in South Sudan is not stable these days. Our second semester began on Monday and unfortunately some of our students are not here because they cannot get out of Juba.

Please continue to pray for peace in South Sudan.

Thank you again from our humble College for the beautiful and meaningful gift to us. I regularly tell the students that people all over the world are thinking of them so this cross is actual proof of that.

Thank you, too, for the welcome myself and the other sisters received when we visited Prendiville College. We were touched by the spirit in the College and wish you all well in the ministry of working with young people.

May GOD bless all in the Prendiville Catholic College community. Peace.

Sr Margaret Scott
Principal
Solidarity Teacher Training College
Naagori, Yambio
I wish everyone a wonderful Term 3. Remember each and every community member is a brilliant FACE for our College.

For your children

Mark Antulov

COMMUNITY ENGAGEMENT - SPECIAL NOTICES

COMMUNITY MASS INVITATION

A warm invitation is extended to all parents, friends, students and staff to attend our Wednesday morning community mass. Our College chaplains Fr Renald and Fr Joe always make mass a special moment for everyone. Our Good Shepherd Chapel is a beautiful environment to take time so STOP, to Pray and share some quiet reflection mid-week.

Mass begins at 8.00am and concludes by 8.30am.

DROP OFF/PICK UP ZONE SAFETY - Student safety is our PRIME DIRECTIVE

The College will be undertaking a proactive education and awareness campaign to promote safer College car park and drop off/pick up zone practices.

This will begin with a risk assessment of the Prendiville Drive drop off and pick up bay.

This area will be monitored over the coming weeks by risk assessment professionals who will guide us with recommendations for improve, educate and raise awareness of safe use of these areas.

The 15 minutes of pick up at the end of each day is a time that everyone must show patience, care and common sense and consideration of others. Every one using the areas must also know rules and procedures of the areas.

Feedback will be provided through the website and direct email to families over the duration of this term.
On Thursday 23rd June 2016, four Year 12 students, under the umbrella of Diversity and Excellence, participated in the 2016 Magis Carnival at John XIII College.

On the night, students spent time discussing philosophical ideas with a spiritual or philosophical connection to the religious underpinning of our schools. The topics on the evening were:

- The law is the highest arbiter.
- We are morally responsible for poverty.
- Are we masters or slaves of technology?
- There is a natural order to things and it applies to gender.
- There was also a mystery ethical question on the day.

Michaela Graziano’s thoughts of the event were:
“The Magis carnival was a fantastic way to discuss ethical and moral dilemmas with like-minded Year 11’s and 12’s, using our knowledge and opinions to argue propositions and issues raised in small and large discussion situations. It was fascinating to hear the different opinions and thoughts of others in certain issues and very beneficial to understand an alternate point of view to develop objective analysis. Definitely a must for any person that loves to debate the paradoxes of human ethical frameworks!”

Be sure not to miss out! ALL GRANDPARENTS are invited to Prendiville Catholic College on Friday 5th August to share in the life of the College with their grandchild. Activities will include:

- 9.00am Mass with grandchildren
- Concert
- Morning tea

The day will commence at 9.00am with Mass in the new College Chapel and conclude at approximately 11.30am after morning tea. If you wish to take part in Grandparents’ Day please make sure you RSVP by email to Mrs Marg Tavelli at mtavelli@prendiville.wa.edu.au by Friday 29th July.

Please indicate student’s name/s and the number of grandparents attending.

We look forward to seeing you all on Grandparent’s Day
This semester we welcome two new teachers to the Mathematics Department and wish a few of our colleagues well as they embark upon their well-earned long service leave breaks.

Mrs Mernagh will be taking the semester to spend time with her family, both at home and overseas. Ms Leck will be on leave through Term 3, also taking the opportunity to see some more sights and do some travelling. Mrs Thompson will be on leave through Term 4 to enjoy a long break heading into summer. We wish them all well.

We are most pleased to welcome Mr Vic Ludera back to Prendiville and Mr Gary Harris to our community. We look forward to the unique talents and knowledge that they will bring to our students and to the College.

Some other exciting news to share is that next week is Maths Week!!

We will be enjoying the usual range of fun strategy games at lunch times, Year 7 students will be competing in the Mathematics Perfect World Championships and around 160 of our top mathematicians will compete in the Australian Mathematics Competition next Thursday 28th July. We wish them good luck and clear thinking.

In conjunction with Maths Week, we are thrilled to invite all members of our school community to make history and be a part of Prendiville’s future. As you may be aware, the College is embarking upon the process of naming our buildings and we are seeking submissions from the Prendiville community for ideas to rename the Mathematics block.

The criteria for naming our buildings can be related to prominent past-Prendivillians, famous mathematicians and innovative mathematical concepts. Get inspired and be creative!

If you are interested in having your say on the renaming of either D block and/or the Maths Break Out Area, please send your ideas with a brief justification to mathsweek@prendiville.wa.edu.au

Prendiville Dance Showcase “Infinite”
The Prendiville Dance students are back with a spectacular new show that’s better than ever! The showcase ‘INFINITE’ will be presented on Saturday 20th August with two performances, a matinee commencing at 3pm and an evening show at 7pm. The showcase will be presented by Years 8-12, exhibiting a number of exceptional acts and complex choreography that is sure to entertain all ages. Book your tickets now (Adults $15 and student/concession $10) at http://www.trybooking.com/127803

Prendiville Dance Company Perform
Best wishes to the Prendiville Dance Company for their upcoming performance during Week 6 at the Perth Exhibition and Convention Centre as part of their entry in the Senior Creative Dance section of this year’s Catholic Performing Arts Festival. The Dance Company have been rehearsing every Wednesday since the start of the year and have put together a three-part performance including Lyrical, Jazz and Hip-Hop styles choreographed by Mrs Johnson and guest choreographer Taihla Saunders. This event will be held on Wednesday 24th August at 7:00pm and tickets may be purchased at www.ticketek.com.au or by calling Ticketek on 132 849 (Adults $22 and Students $18) from Monday 25th July.
Technology Week is held in Week 10 of Term 2. It is a chance to celebrate the impact of technologies on society, recognise hard work in the Digital Technologies learning area and explore various options to do with careers in ICT.

Tech Week 2016 was another success; the highlight being the Game Vault bus that arrived at Prendiville on Wednesday 29th June. Students were able to experience some high-tech, collaborative gaming and enjoyed their sessions aboard the bus! Thank you to Steve from Game Vault for supporting our College.

The Library hosted a Minecraft Challenge on Wednesday which saw many students crowd the space to compete to build the best structure in 30 minutes! There were some amazing builds and the energy from the students was excellent. The prizes were awarded to the best Year 7-8 build and the best Year 9-10 build.

Students also had the opportunity to explore emerging technologies such as Virtual Reality, 360 Cameras and 3D printers. Senior students looked at the impacts of technology in society including exciting career paths. Year 7 -10 students competed for prizes in their ICT classes during online game competitions, engineering challenges and creative avatar-making. A ‘guess the number of cables in the jar’ lunchtime competition was won by Luke Scarfo, Year 11.

Thank you to the ICT, Business and Media staff for all your hard work during this week and thanks to the students for your enthusiastic participation! It will be bigger and better in 2017!

Mrs Melissa Marshall
Subject Coordinator – ICT, Business and Media
CAS Sport

Congratulations to all students on a successful 2016 CAS campaign. It really was a monumental effort by all staff, students and parents across both first and second terms. Our teams performed strongly throughout the winter competition with five teams making grand finals and three running out eventual winners. Congratulations to the following teams.

Furthermore I would like to congratulate the following students on being named MVP/Coaches Award winners for their respective teams.

We are awaiting confirmation of overall results from the ACC, but irrespective of where we finish it has been an incredibly successful year. More teams were forced to conduct trials prior to the season which did lead to disappointment for some students. On the positive side, the quality of the competition is improving thus providing a challenging and rewarding experience for the students who did make the final teams. I would encourage all those involved to continue to support the CAS competition particularly those who may not have earned selection this year. Whenever teams are split across age groups there is often a lot of movement in terms of final team lists and selection one year will not guarantee it in the next.
2016 Prendiville Rugby Club
The PCC Rugby Club is set to commence its 2016 campaign in both the Year 7/8 and Year 9/10 teams. A meeting was held with many of the students who have expressed interest in being involved and we are set to commence training on the Monday of Week 2. Our first fixture will be played on the school oval on Wednesday of Week 2 against Mater Dei. Permission slips will be handed out this week and will need to be returned before Wednesday’s game.

This competition is now in its third year after ourselves and a number of other schools recognised a lack of appropriate rugby competitions available to schools in the coastal corridor. As a result, the Northern Schools Rugby Competition was created to fill this void. We have seen massive improvements in the competition so far and are hoping this will continue as interest grows in all participating schools. One common theme across nearly all the schools involved are the number of students who are new to Rugby who are not only trying out the sport but continuing to be involved on the back of their participation at school. I’m hoping to see this continue in season 2016.

Any parents/friends of the College who would like to be involved in assisting our boys with any aspect of Rugby please get in contact with myself here at the College so I may discuss this possibility further.

Surfing results
All results from last term’s Surfing Carnival have been posted to the SPORTAL page on SEQTA. The interschool teams will be posted shortly to represent the College at the annual State Titles in Week 5 and Week 6.

100K Club
The 100K Club will not be running until further notice.

2016 Athletics Season
Following the Interhouse Carnivals on Thursday and Friday Week 1 We will be looking to commence Athletics Training in Week 3. Students will be sent official invitations to train to pursue position a position as part of the Interschool Athletics team who will compete in the ACC Carnival in Week 9. Lists of these students will be posted on the SPORTAL Page as well as a training timetable for the term.

Training is open to any students who wish to attend, particularly if they were unable to attend the Interhouse Carnivals.

If any parents/ siblings or other friends of the College are able to assist with coaching, particularly with some of the more technical events please contact me at the College.

Sporting excellence
Congratulations to the following students on their sporting achievements:
Tom O’Donnell (Year 10) who travelled to SA as part of the U16 State Schoolboys AFL team.
Nino Karow (Year 7) has been selected to represent WA at the Australian Karate Federation National Championships in Melbourne.

Jamie Birrell
Sports Coordinator
At the end of last term Prendiville welcomed eight young Italian students who will spend two months with us, improving their English and learning about another culture and way of life. As always we are eternally grateful and indebted to the lovely families who have hosted them.

Here are some of their first thoughts and impressions……

Hi, I’m Silvia and I’m living with the Groenewegen family. I love Australia even if I would prefer to be in a different season because it’s too windy but of course I like everything a lot anyway. I’m tasting a lot of different foods and I’m very surprised because I like everything. I’m very sorry that I will have to leave in a month.

Hi, I’m Andrea and I’m an exchange student from Italy. I am staying with the Ross family and I have already been to many beautiful places here in Australia. I am very happy to be here because I have always dreamt of coming to a country like Australia which is very different from Italy. Unluckily, time is flying and I have only one month left.

Hi, I’m Isabella and my host family is the McEwan family. I’ve only been here a few weeks and I have to say that I am living my dream. Everything is so different here especially the school system. For example, the relationship with your teachers is way different and the structure of the school, uniforms and the fact that anyone can choose the subjects they prefer are things we don’t have in Italy. I’m not just learning another language but a lot of different aspects about a different culture and above all I’ve met a lot of amazing people.
Welcome to Tech Spot for 2016! This section of our newsletter is for students and staff to share tips, tricks, ideas and apps to do with our all things technology at Prendiville.

This week, we reflect on location-sharing apps and their benefits/pitfalls.

“My child loves using location-based apps such as Pokémon Go, Glympse or Find My Friends. Are these apps safe?”

As with many types of new technology, there are positives and negatives. One the one hand, being able to ‘find friends’ is good and also a parent can keep track of a child’s location, especially at a large gathering. Many of these apps have a login or safety features that restrict who can see the location, or only share it for a limited period of time.

On the other hand, because these apps can broadcast your child’s location on a map, send that information to third parties (such as the local juice bar, so that it can send a coupon to the phone automatically), they open up the possibility of meeting strangers face to face or someone following a tracked phone without the user’s knowledge. And these apps do not work if the phone is off or has no battery left.

The data tracking that these apps do is a push into consumer privacy as users are not always sure as to who is using the information and for what purpose. It is buried in the end user license agreements, on which 1.5% of us actually read!

Some teens will use these apps no matter what you say, so be aware of setting some ground rules for their use. Location Services should be turned OFF in the settings after the app is used, and always turned off when the child sets foot in the family home. Avoid logging in to public Wi Fi, as these services can be used to send advertising or track location. Consider going with your child to catch Pokémon or interact with them through the apps that they like. And ensure they conserve their battery so are not left out in the world with no way of contacting you!

This article was adapted from https://www.commonsensemedia.org/privacy-and-internet-safety/my-teenagers-love-using-location-apps-on-their-phones-to-find-each-other - go to Common Sense Media for more common-sense technology advice for students, parents and teachers!

If you need help with iPads or just want to ask a question, feel free to drop into the iPad Helpdesk in the library at lunchtimes. We will be happy to give you assistance.

Mrs Melissa Marshall
eLearning Coordinator
FACEBOOK

Below are a couple of our Facebook posts which gained plenty of feedback during last term. Our Facebook page has become a wonderful showcase for all that is going on at Prendiville and it is a simple means for us to remain in constant contact with parents, friends, teachers, Prendivillians and prospective students.

https://www.facebook.com/Prendiville-Catholic-College-Official-Site-1424453921150633/

Use this link to become a part of our ever expanding community and please keep in touch.

Chris Greenwood
Public Relations & Marketing.

LIBRARY

Year 7~10 Library Reading Blogs

Please make use of the Year 7-10 Library Reading Blogs, as they are a useful way to recommend books to others, as well as find a good book to read for yourself. These can be found, for example, in SEQTA learn~Forums~Year 10 Reading Blog.

Minecraft Competition

The Library was abuzz last term during the lunch time Minecraft competition. Congratulations to the winners - your entries were amazing!

MakerSpace

Watch this MakerSpace as coming soon is our lunch time Indigenous rock painting activity, which is part of our NAIDOC week celebrations. Keep a watch out in the school notices for more details soon.
Please check the following important dates for relevant career information. Many universities currently have campus tours and information evenings running. I can be contacted at the school or in my office at lunchtimes for further information.

**P AND F QUIZ NIGHT**

We invite all staff, students and their families to come along for a great community building event. Get together a group of your friends and challenge each other, challenge your teachers, or make a table with your family and come along to the Gym on Friday 5 August - 7.00pm start. (Doors open at 6.30pm).

There will be prizes for the winning students’ table as well as the overall winning table on the night. Tables of 8, tickets are $5.00 each from [https://www.trybooking.com/211447](https://www.trybooking.com/211447) BYO food and drinks. We hope that this event will be a night well supported by our families and are sure that a lot of fun will be had by all.

We would also like to ask all families to send in an item suitable to use as a prize on the night (Wine, chocolates, beauty products, gift cards). If your family is in the position to provide vouchers for goods and services for your business, we would love to have your support and we thank you for your generosity. Donations can be sent into the front office.

Thank you for your support and see you there.

P&F Committee
Whitfords Catholic Primary School Commemorative Brick Pavers
As a permanent record of the lives and history of past and present students and staff of Whitfords Catholic Primary, for the first time, WCPS is offering engraved (or personally drawn) brick pavers for purchase at $50 each. These brick pavers will be laid at the school this summer with the current construction underway. Order forms and templates will be available on the school website.

www.whitfordcatholicps.wa.edu.au/p-f-newsletter-events

The offer will remain open till September 16th. For further information contact Ines Elloy on ielloy@yahoo.com or 0448 800 471.

Catholic Youth Ministry employment opportunity.
Youth Ministry Worker (Full time position & 0.4 Part time position) both temporary positions relieving for long service leave. The Perth Catholic Youth Ministry office is seeking two vibrant youth workers to join the Youth Ministry team. The successful applicants would be required to work to support parishes and youth ministry initiatives in the Archdiocese of Perth. They must also undergo screening in accordance with the West Australian Working with Children Check. Experience in previous youth ministry teams (eg YMT or NET) and/or parish youth groups is recommended. A full copy of the Job Advertisement and Job Description is available on www.cym.com.au. To submit your CV with a cover letter and 3 referees including a parish priest, please email: Anita Parker, Director of Catholic Youth Ministry anita.parker@perthcatholic.org.au Applications close Monday 8 August 2016.

World Youth Day 2016 Perth FESTIVAL | Sunday 31 July
“You’re only a screen away” FREE EVENT – local WYD celebrations.
You are invited to bring your friends and family to Northbridge Piazza (Cnr Lake St & James Street) for a special screening of World Youth Day with Pope Francis and entertainment from Ignite Live Band and Kukuleczka Polish dance group. Come down from 1pm-3pm for an afternoon of festivities followed by mass at 5-6pm at St Mary’s Cathedral. For further information contact Catholic Youth Ministry – admin@cym.com.au or 9422 7912.

Live webcast of World Youth Day main events: 26 July – 31 July
Connect with the main events at WYD in Poland through the web broadcast of the main events on www.xt3.com/live
Check the website for dates and times of each broadcast and join the online community connecting with Pope Francis and the millions of youth gathered in Poland.

Pilates for the Soul
If your soul could do with a bit of stretching, the Centre for Faith Enrichment is for you! Check out the wide range of online and face-to-face courses and events on offer by visiting www.cfe.org.au. An on-site crèche is available on request. ALL are welcome (you don’t have to be Catholic!), there are no exams or assignments, and the environment is always relaxed and friendly. PS. Have a child preparing to receive a Sacrament? Go to www.cfe.org.au and click ‘Sacraments Website’!

OUR SCHOOL PRAYER

Dear Lord

We thank you for our school community inspired by the holy work of Redmond Prendiville who gave our college its name and sense of self. Help us to follow his example and live in the light of Christ.

We thank you for our teachers, friends and family. Help them to guide and support us in all our academic, sporting and community endeavours.

Our College crest speaks of how close we are to the eternal beauty of the ocean. It reminds us we are blessed to be young and free. Lord, never let us forget this symbol we so proudly wear, for it represents our Catholic faith and your eternal love.

Help us, therefore, to respect the natural beauty of our school grounds and environment and to consider the classroom as a place of opportunity and learning. Grant us the strength of will and clarity of purpose to be the best that we can be.

In the name of the Father, and of the Son and of the Holy Spirit.

Amen
