12-month Full Time Temporary Parental Leave Replacement Commencing Term 1, 2018

The College is seeking applications from committed and experienced teachers who are able to teach Dance from Years 7 to 12, including the WACE ATAR and General Dance program.

The successful applicant ideally:

- Can work collaboratively
- Has a Contemporary Dance background & training (training from WAPPA would be favourable)
- WACE ATAR experience (written work is very important)
- "Dance" as a major subject as opposed to minor
- Versatile in all dance genres

The successful applicant will be required to be an active participant in teamwork and will be able to collaborate with a dedicated team of professionals that forms the teaching staff. In addition, teachers are required to actively participate in a cross-curricular approach with Foundation Years 7 to 9 and demonstrate their willingness to work with leaders and other subject teachers in a Professional Learning Community designed to maximize the opportunities for academic success for *all* the students they teach.

Teachers are expected to take an active interest in the pastoral welfare of their Pastoral group, supported by leadership, specialist subject teachers and specialist support staff. For teachers in general, the ability to be involved in the extra-curricular life of the College will be an expectation. *As a member of the Performing Arts Learning Area there is an expectation your extra-curricular involvement will involve the coordination of an extra-curricular Dance program.*

As with all teaching positions at Prendiville Catholic College, the ability to teach Religious Education would be a distinct advantage, as is the ability to teach in more than one subject area. Preferred applicants must actively support the Catholic ethos of the College. All staff are expected to be involved in the full life of the College.

Please include a covering letter outlining your reasons for applying along with the completed Employment Application Form supplied and Curriculum Vitae outlining any additional supporting information.
